Sub:- Requirement of LTC – 80 Certificate

It has come to the notice of the HQrs office that some audit offices under the jurisdiction of PCsDA/CsDA are insisting on the requirement of LTC-80 certificate when the Air entitled officials are paying airfare for traveling on LTC in Air India which happens to be less than the LTC-80 fares.

The matter has been examined in the HQrs office and it is stated that requirement of LTC-80 certificate may not be insisted upon. The LTC fares are promulgated on official Air India Website periodically and the same can be downloaded through URL <http://home.airindia.in/SBCMS/Downloads/WebFares.pdf> to deal with such cases. The recent fare revision for LTC is updated on 01st Sept'2011.

The onus lies with the audit authorities to keep the LTC rates updated which is revised from time to time by Air India authorities and make payments accordingly.
