No EDP/955/New Projects-DVC

Dated 23 - 02-2018

To

All Pr Controllers/Controllers/Pr IFA/ IFAs and CFAs(Fy)/PrCsFA/CsOAFys

SUB: Desktop Video Conferencing (Web Based)

Ref: Hqrs office letter No. EDP/955/New Projects-NIC dated 08.06.2016.

Please refer to the above communication pertaining to the non - utilization of video conferencing facility provided by the NIC.

2. In this regard, it is intimated that NIC has provided a status report on utilization of VC facility by our department during 01.10.2017 to 19.01.2018 (Copy of the same is enclosed with this letter). It may be seen from the statement that our Sub-offices are not making optimum use of the Video Conferencing facility. It has already been intimated vide our letter even no. dated 08.06.2016 that NIC is incurring recurring expenditure on each connection (ID) of Video Conferencing facility provided to DAD. Non utilisation/Under-utilization of the VC facility on DAD WAN may lead them to disconnection of the facility.

3. In the above context, it is also informed that all the technical issues involved in accessing the Video conferencing facility on DAD WAN have been sorted out and now VC can be done on DAD WAN.

4. Therefore, all the DAD offices who have been provided User ID and Password for Video Conferencing, are requested to install the "Vidyo"

Software on PC connected on DAD WAN and use the same. The quality of VC on DAD Wan is observed better than Internet.

5. Further, it is once again reiterated that the VC facility may please be used on regular basis on DAD WAN to avoid disconnection / deactivation of the user ID & Pwd provided to the existing used of the department. It may also be ensured that the users are logging into the Vidyo Portal on daily basis.

This issue with the approval of Jt CGDA (IT &S).

(Dr. Sunish S)
St. ACGDA (IT&S)
