AT

Sub:-Concurrence of school bus rate approval procedure of making payment in r/o army buses being used as school buses.

P-27

As per AI 15/87 Para 3, Provision of transport for children of Officers, JCO/ORs and civilian paid from the Defence Services Estimates and DAD staff will be sanctioned by the Station Commander in consultation with CDA concerned so long as other conditions fulfilled. The practice of prior concurrence of the CDA is being followed in this organization for the provision of Service Transport for the School going children of Officers, JCOs and ORs. The entire task is dealt within IA Cell of O/o the PCDA (CC) Lucknow

A conference of officers with IFA (CC) was held on 23/09/2015 under the chairmanship of PCDA (CC) Lucknow. In this conference a matter regarding "Fixation of School Bus rate for children other than Officers/JCOs/Ors and concurrence procedure of Board of officers for providing transport to school going Children" was discussed. During the discussion it was suggested by the IFA (CC) that the concurrence should be given by the O/o the IFA (CC) on the proposal 'provision of Service Transport for the School going children of Officers, JCOs and Ors as it involves a lot of financial effects while running the buses on road and the provisions in AI 15/87 was made when the IFA system was not in vogue. Since after emergence of IFA system Audit & Finance has become separate, this office is also of opinion that financial concurrence on school going Children should be given by the IFA and Audit & Payment work should be done by the regional controller.

18/11

As there are no such instructions from the HQr office in this regard it is requested to examine the issue raised by the IFA (CC) Lucknow and issue necessary guidelines in this regard.
