**Subject: Non-compilation of expenditure in the same month's accounts**

A review of compilation for the month of August, September and October' 2010 has been carried out by this HQrs office to ascertain whether expenditure booked by the Controllers during a particular month is compiled in the same month's accounts.

It is revealed that a fair amount of expenditure booked during a month has been compiled in the subsequent months. In this regard, statements (Annexure- 'A', 'B' & 'C') showing Controller-wise figures (with percentages) of deferred compilations relating to the months of August, September and October' 2010 are enclosed for ready reference.

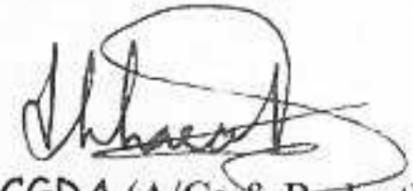

Similar lapses were noticed in the past also and Controllers were requested to ensure that expenditure booked during a month gets compiled in the same month's accounts. This HQrs office 'Most Important' letter bearing no. A/B/II/11244-EDP-II dated 8.2.2010 refers in this regard. In spite of the above slippage of bookings of the previous months to the next months' compilation still persists.

In view of the position that monitoring of expenditure is being carried out by Ministry of Defence (Fin) on day-to-day basis, timely and prompt compilation of expenditure is of paramount importance. Further, expenditure already incurred and kept outside the books of accounts is against the basic norms of accounting principles and has an adverse effect on budget formulation. This also results in gap between the expenditure figures available with the executive authorities and those appearing in the printed

compilation. The compilation of expenditure, therefore, needs to be monitored at an appropriate level.

It is therefore requested that the matter may please be looked into and reasons for delayed compilations interalia indicating the remedial measures taken to ensure timely compilation of expenditure, intimated to this office. It may also please be intimated whether the carry over bookings pertain only to the batch of Punching Medium of the last week the month or earlier.

A feed-back in this regard may be sent to this office urgently.

Jt. CGDA (A/Cs & Budget)
