

MESSAGE

On the occasion of the Annual Day of the Defence Accounts Department, I extend my heartiest felicitations and greetings to entire fraternity of the Defence Accounts Department.

The Defence Accounts Department has always worked in synergy with the three services, catering and adapting to their needs in the constantly evolving National Security scenario. This shared journey with the active participation of the Financial Advisors has significantly contributed towards fiscal prudence and the required appropriate financial planning for the forces. The digital initiatives taken by the department will certainly aid in mitigating the disruption caused by the COVID-19 pandemic and also assist in improved reach and connectivity.

I once again wish the DAD family all the very best on this special occasion and I hope for their continued success in all future endeavours.

Jai Hind!
