### MESSAGE

I extend my profound greetings on the occasion of the Annual Day of the Defence Accounts Department.

The Ordnance Factories have had a cherished partnership with the Department across decades. Heightened security concerns and continuously evolving dynamics of the fiscal matrix would call for further synergy so that the Board is able to achieve its performance targets within the stipulated time-frame. I am optimistic that the commitment and domain knowledge of the DAD personnel would be of utmost help to us as we re-visit, re-engineer, re-structure and re-align our quality, production and pricing processes.

I am hopeful that the Department will continue to add on to its professional expertise and keep the flame of excellence burning bright.

(Raj Kumar)
