All the residual electors are advised to obtain their Elector Photo Identity Cards from the Electoral Registration Officers of their Assembly Constituencies urgently.

In order to ensure that no voter is deprived of his/her franchise, if his/her name figures in the Electoral Rolls, separate instructions will be issued to allow additional documents for identification of voters, if needed.

Facilitation shall also be provided for locating electors' names in a polling station or a group of polling stations through help lines and facilitation centers.

(6) Basic Minimum Facilities (BMF) at Polling Stations

The Commission has issued instructions to the Chief Electoral Officer of all States to ensure that every Polling Station is equipped with Basic Minimum Facilities (BMF) like drinking water, shed, toilet, ramp for the physically challenged voters and a standard voting compartment etc.

(7) Polling Parties and Randomization

Polling parties shall be formed randomly, through special application software. Three-stage randomization will be adopted. First, from a wider district database of eligible officials, a shortlist of a minimum 120% of the required numbers will be randomly picked up. This group will be trained for polling duties. In the second stage, from this trained manpower, actual polling parties as required shall be formed by random selection software in the presence of General Observers. In the third randomization, the polling stations will be allocated randomly just before the polling party's departure. There shall be randomization for such Police Constables and Home guards also, who are deployed at the polling stations on the poll day.

(8) Electronic Voting Machines (EVMs)

The poll in these States will be conducted at all polling stations using EVMs. The Commission has already made arrangements to ensure availability of adequate number of EVMs for the smooth conduct of elections. The Commission has issued a new set of instructions with regard to the First Level Check of EVMs, that will be used in the poll in these States. The First Level Check of EVMs, has been done in the presence of representatives of political parties. A two-stage randomization of EVMs will be made. In the first stage, all the EVMs stored in the district storage centre will be randomized by the District Election Officer (DEO) in the presence of the representatives of the recognized political parties for allocation assembly constituency-wise. EVMs will be prepared and set for elections after finalization of the contesting candidates. At this stage also, candidates or their agents/representatives will be allowed to check and satisfy themselves in every manner about the functionality of the EVMs. After the EVMs in a constituency are prepared for the poll by the Returning Officer and the ballot units are fitted with ballot papers, then the EVMs will again be randomized to decide the actual polling stations in which they will be ultimately used. The Second Stage randomization will be done in the presence of Observers, Candidates or their Election Agents.

(9) VVPAT (Voter Verifiable Paper Audit Trail)

VVPAT will be used in 36 ACs spread over 34 districts.

(10) Photographs of Candidates on Ballot Paper

Photographs of candidate will be displayed on Ballot Paper to be fixed on Ballot Unit along with symbol of respective candidates.

(11) None of the Above (NOTA) Option in EVMs

In its judgment dated 27th September, 2013 in Writ Petition (C) No. 161 of 2004, the Supreme Court has directed that there should be a "None of the Above" (NOTA) option on the ballot papers and EVMs. The Court has directed that the Commission should implement it 'either in a phased manner or at a time with the assistance of Government of India'.

On the Balloting Unit, below the name of the last candidate, there will now be a button for NOTA option so that electors who do not want to vote for any of the candidates can exercise their option by pressing the button against NOTA.

The Commission is taking steps to bring this to the knowledge of voters and all other stakeholders and to train all field level officials including the polling personnel about the NOTA option.

(12) Affidavits of candidates – all columns to be filled in

In pursuance of the judgment dated 13th September, 2013 passed by the Supreme Court in Writ Petition (C) No. 121 of 2008, which among other things makes it obligatory for the Returning Officer "to check whether the information required is fully furnished at the time of filing of affidavit with the nomination paper", the Commission has issued instructions that in the affidavit to be filed along with the nomination paper, candidates are required to fill up all columns. If any column in the affidavit is left blank, the Returning Officer will issue a notice to the candidate to file the affidavit with all columns filled in. After such notice, if a candidate fails to file affidavit complete in all respect, the nomination paper will be liable to be rejected at the time of scrutiny. The Chief Electoral Officer has been directed to brief all Returning Officers about the judgment of the Supreme Court and the Commission's instructions.

(13) Communication plan

The Commission attaches great importance to preparation and implementation of a perfect communication plan at the district/constituency level for the smooth conduct of elections and to enable concurrent intervention and mid course correction on the poll day. For the said purpose, the Commission has directed the Chief Electoral Officer of Bihar state to coordinate with the officers of Telecommunication Department in the State headquarters, BSNL/MTNL authorities, the representatives of other leading service providers in the State so that network status in the States is assessed and communication shadow areas be identified. The CEO has also been advised to ensure best communication plan in the State.

All critical events will be video-graphed. District Election Officers will arrange sufficient number of video and digital cameras and camera teams for the purpose. The events for videography will include filing of nominations, scrutiny thereof and allotment of symbols, First Level Checking, preparations and storage of Electronic Voting Machines, important public meetings, processions etc. during campaign, process of dispatching of postal ballot papers, polling process in identified vulnerable polling stations, storage of polled EVMs, counting of votes etc. Webcasting, Videography and Digital cameras will also be deployed inside polling booths wherever needed. CDs of video recordings will be available on payment to anyone who wishes to obtain a copy of the same.

(15) Law and Order and Deployment of Forces

Conduct of elections involves elaborate security management. It includes ensuring the security of polling personnel, security at the polling stations, security of polling materials and also the overall security of the election process. Central Armed Police Forces (CAPFs) are deployed for area domination prior to poll in order to build confidence in the minds of voters specially vulnerable voters viz. weaker section, minorities etc. Keeping all this in mind, the very designing of the poll schedule, and sequencing of multi-phase elections and choice of constituencies for each phase had to follow the logic of force availability and force management.

The Commission has taken various measures to ensure free and fair elections by creating an atmosphere in which each elector is able to access the polling station without being obstructed or being unduly influenced/intimidated by anybody.

Based on the assessment of the ground situation, Central Armed Police Forces (CAPF) and State Armed Police (SAP) drawn from other States will be deployed during these elections. The CAPF and SAP will be used generally for safeguarding the polling stations and for providing security to the electors and polling personnel at the polling stations on the poll day. Besides, these forces will be used for securing the strong rooms where the EVMs are stored and for securing the counting centers and for other purposes, as required.

The Commission has been issuing instructions from time to time with regard to the advance preventive measures to be taken by the District Magistrates and Police authorities to maintain the Law & Order and to create atmosphere conducive for the conduct of free and fair elections.
