Subject: Request for providing articles/ write-ups for 'Aapda Samvaad'.

Madam,

NDMA publishes a digital newsletter 'Aapda Samvaad'. The Authority also has an official blog www.ndmablog.in. These initiatives are meant to generate greater awareness among the masses on issues pertinent to Disaster Risk Reduction (DRR).

2. This newsletter highlights best practices, success stories, initiatives or interventions/ DRR practices that directly or indirectly benefit communities. It also covers important events and initiatives of NDMA. Knowledge exchange and sharing of best practices plays a major role in reducing risks and empowering vulnerable communities.

3. In order to further boost our awareness generation activities, we request you to share with us your initiatives in the form of audio-visual, write-ups, etc.

4. In the field of Disaster Risk Reduction, the articles may highlight as to how the immediate community has benefitted and its resilience enhanced. It would be great if some first-person voices are included in the article. Please also share high-resolution photographs to go with your article. We want to encourage good practices in community based disaster risk reduction.

You may write to us at aapdasamvaad@gmail.com.

Yours Sincerely

Bhupinder Singh
