Subject: List of civil servants, serving or retired for a pool of trainers-iGOT 2.0 (Integrated Government Online Training programme)

DoP&T has intimated that Government of India has decided to implement the National Civil Service Capacity Building Framework (NCSCBF). As a part of this initiative iGOT 2.0 (Integrated Government Online Training programme) has been launched, which is a comprehensive learning platform, with resources for online, face to face and blended learning. Amongst other things, iGOT 2.0 will overcome existing infrastructure bottlenecks, to create an ecosystem where the capacity building efforts reach the lowest level of officers.

2. Further DoP&T has desired that with a view to realize this new vision in the realm of training, a list of civil servants, serving or retired, may be prepared who can serve as good trainers in face-to-face, online and blended learning environments and with whom the NCSCBF can be discussed.

3. Accordingly, it has been decided by the competent authority that names of volunteers may be sought from amongst serving and recently retired (within the last 3 years) IDAS officers, who would be willing to serve as trainers, as brought out in para 2 above. The volunteer officers may furnish details in the under-mentioned performa so as to reach this HQ's office latest by 22.04.2020 through email at : "trgdiv-brar.cgda@nic.in" for further necessary action at this end.

Name & designation of IDAS officer	Date of Joining/ Date of Retirement	Name of office where currently serving (in case of serving officer only)	Training experience (specific topics)	Contact details i.e. address, email and mobile number	Any other remarks
