Sub: Simplification of pension payment procedure for first payment.

Ref: PCDA (P) Allahabad letter No. AT/Tech/70/XXV dated 11.08.2017.

The comments received under above cited letter have been examined in this HQrs CGDA Office. Initiation of first payment without physical presence of pensioners is essential to ensure implementation of orders issued by DOP&PW/MoD and circulated vide PCDA (P) Allahabad Circular No. 132 and 546 and also in the proposed CPDA scenario. In view of the procedure being followed by Civil Ministries for processing, calculating, making payments and also revising Retirement/Death gratuity and CVP (in case payment not opted through bank) could also be adopted for Commissioned Officer, PBORs and Defence Civilians.

2. It is intimated that in case of Civil Ministries, the H.O.O. (through PAOs) are responsible for release of lump-sum payment following the date of retirement under intimation to CPAO (details also available on website of CPAO). Hence, PCDA (O)/AFCAO/NPO in case of Commissioned Officers, Record Offices/PAOs for JCOs/ORs and HOOs/AOs for Defence Civilians could be assigned the responsibility who will release these payments after retirement. This will only change the procedure/agency for payment of lump-sum pensionary benefits. The claim initiating agency shall reflect the amount worked out on account of Gratuity/CVP in the claim submitted to PSA. The latter can get the same scrutinized to confirm paid amount is correct or not. This will not only eliminate the chance for overpayment in case of death before receiving lump sum payments but also being uniformity in the procedures presently being followed by other Civil Ministries.
