Kindly refer to your letter No. RTC/101/ALAC Quiz - 2 dated 16/11/2015 wherein clarifications on certain points regarding the All India DAD Debate Contest have been sought.

Participation of RTC Officers/Staff:

The RTC Officers/staff can participate in the event as a part of the team of proforma Controller.

Criteria for determining the winning team :

RTC is to choose one best individual score each for motion and one against it irrespective of the Controller to which he/she represents and therefore in this case a team can be formed from two different Controllers to represent the respective zone.

Interjections

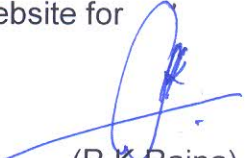

Weightage is to be given for successful tackling of interjection. Not more than 2 interjections are to be permitted to a participant. In case of no interjection coming to a participant , the judges are to put forward the two interjection questions to rule out any element of bias in the marking scheme. Speakers stating that there are challenges should be treated as being for the motion and those denying the challenges are to be treated as being against the motion.
